

agency for Innovation  
by Science and Technology

**National Specification for R&D Call 2**

Agentschap voor Innovatie door Wetenschap en Technologie  
Flanders - Belgium

**IWT** is the government agency for Innovation by Science and Technology. We help Flemish companies and research centres in realizing their research and development projects. We offer them financial funding, advice and a network of potential partners in Flanders and abroad. We also support the Flemish Government in its innovation policy.

**Contact Persons**

**Kathleen Goris**  
**Paul Schreurs**
